I'm sure I'm one of many people who are giving you input about Ripe Choice and wanting to support them. I think Lake County has been tremendously enhanced by their presence and participation in our economy. I believe Mark when he says he will make sure neighbors are minimally impacted by events. Lake County needs Mark and Tammy's farm/events and I can't emphasize that enough. I am impressed with their contribution to the area and hope everyone supports them. Linda A Foster
