**TINA SCOTT**  
District 4 Supervisor

April 14, 2022

To My Fellow Supervisors and Staff:

After much consideration, I have made the difficult decision to resign from my role on the Board of Supervisors, effective July 31, 2022.

It has been a great honor to represent so many neighbors and friends as District 4 Supervisor. Since I was elected in 2016, I have striven to be a voice for Lake County residents facing deep challenges, and that has led to very rewarding work alongside community partners in areas from health and housing, to energy resiliency, to public-facing efforts to promote Tolerance, Respect, Diversity, Equity and Inclusion.

Unfortunately, personal circumstances have made it impossible for me to complete my term.

I appreciate this announcement will come as a surprise to many. When I sought re-election in 2020, I never imagined I would be stepping away less than two years later.

To all who expressed confidence by supporting my candidacy: thank you for your trust and high regard. I sincerely hope the work we were able to accomplish, including establishment of transitional housing programs in Lakeport and Clearlake, and meaningful progress on South Lakeport Annexation after decades of disagreement, bring meaning to your efforts and your votes.

I remain committed to realizing a brighter future for Lake County. Starting in Fall of 2022, I will be serving as CTE Food Service and Hospitality Instructor at Clear Lake High School. Helping Lakeport Unified students of transitional age strengthen their nutritional foundation will be a rewarding continuation of my work in public service.

While I look forward to this and other opportunities, making this decision was not, by any means, easy.

I have loved my work as Supervisor, and built relationships I hope will endure for many years to come. While I am confident this is the best available decision at this time, there are innumerable aspects of my Supervisor role I will deeply miss.

I am grateful to have had this opportunity, and looking forward to continuing to invest in Lake County communities.

Sincerely,

Tina Scott  
District 4 Supervisor
