Board of Supervisors  
County of Lake  
255 North Forbes Street  
Lakeport, CA 95453

November 10, 2016

Dear Supervisors:

The term of Rob Bostock on the Lake County Vector Control District Board of Trustees will expire at noon on Monday, January 2, 2017.

Mr. Bostock is an excellent trustee and has indicated he would be willing to accept another term of service on the LCVCD Board of Trustees.

Mr. Bostock has served on our Board since February 2011. His experience in local agencies, expertise in public service, and active participation in the community and on our Board continue to be a great asset to the District. Mr. Bostock works well with the other trustees to engage in productive discussions of the issues relevant to the governance of the District

This is a letter requesting that you make an appointment. The California Health and Safety Code §2024(a) allows for either a 2-year or a 4-year term, at the discretion of the appointing authority.

We shall appreciate your notification in writing when this appointment has been filled and the length of the term of appointment.

Sincerely,

Jamesina J. Scott, Ph.D.  
District Manager

CC: Rob Bostock  
Curt Giambruno, President of the Board

To: Lake County Board of Supervisors

From: Randall Williams (retired from Lake County Vector Control)

RE: Appointment to Board of Trustees, Lake County Vector Control District

As a member of the Board of Trustees to the Lake County Vector Control District I would utilize my 36.8 years of employment experience with the Lake County Vector Control District to ensure that the district stays on track with its mission to the citizens of Lakeport and Lake County. As a current Board of Director with the Lakeport Fire Department for the last 21 years, I have the necessary experience in yearly budgets, how to prepare for federal and state grant monies, employee negotiations and a strong level of communication with the public and other government agencies. I also have served on committees with the California Department of Public Health, with the California Department of Fish and Game, with the Mosquito and Vector Control Association of California, Oregon and Nevada. I have served 10 years with the Lake County Fish and Wildlife Advisory Committee. I am currently licensed, (retired status) through the California Department of Public Health as a Vector Control Technician to control Mosquitoes, Vertebrate vectors and Invertebrate vectors. I am currently a member of the Lake County Fish and Wildlife Advisory Committee, representing fish and wildlife conservation to the county of Lake. I am certified in AB 125 as well as governing and policies for county, state and federal government agencies.

The opportunity to serve Lakeport and Lake County as a Board of Trustee member would give me the chance to give back to our community by governing the policies that protect our citizens from mosquito and vector borne diseases.

Thank You

A handwritten signature in black ink that reads "Randall Williams" with a stylized flourish at the end.
