**ADDENDUM NO. 1  
JANUARY 10, 2017  
INVITATION TO BID NO. 17-101  
BULK GASOLINE AND DIESEL FUEL**

The purpose of this addendum is to clarify, modify, delete, or add to the Requirements, Specifications and/or Plans for the subject project, and revisions listed here shall supersede descriptions thereof prior to above date. All additions not specifically referenced here shall remain the same. It is the obligation of the General Contractor to make subcontractors aware of any items herein that may affect submitted bids. The addendum shall become a part of said contract documents. And like all addendum, the bidder shall acknowledge receipt on the bid document.

Addendum Issued: January 10, 2017

Item No.1: Note a change in Bid issue Date found on page 1 of the Invitation to bid No. 17-101. Said Section is hereby replaced in its entirety with the following:

**Date: January 5, 2017**

Item No. 2: Note a change in BID COMPLIANCE #6, entitled "Bid Pricing – Fuel" found on page 4 of the Invitation to bid No. 17-101.

**SCOPE OF WORK**

**6. Bid Pricing - Fuel:** Bid prices for each fuel shall be submitted as flat price differential (margin) relative to an established base.

6.1 For gasoline and diesel, that base shall be the daily **OPIS – SAN FRANCISCO, UBD RACK AVG.**

6.2 The quoted differential (margin) shall be exclusive of all taxes including but not limited to CAP AT THE RACK (CAR) costs and shall be inclusive of FOB delivery, vendor's overhead and profit.

6.3 Bids for diesel fuel should be for red dye diesel and not renewable diesel or clear diesel.

6.4 The County reserves the right to award the bid(s) to one or to multiple vendors based upon the price configuration which is determined by the Lake County Board of Supervisors to be the most advantageous to the County.
