Public Parking
Check In
Show Entry
Willow Point
Our biggest issue in 2016 was street blockage. We have mitigated that by moving the vehicle entry to the bank building on the corner of Main & 1st.
Groups can gather in that lot and then be disbursed up to Main Street or Park Street. This will also allow vendors to load from 4th street at the same time, eliminating the back-up completely.
3RD ANNUAL
LAKESIDE
Car & Boat Show
