- The value of this rebate is \$2,500 for Standard Vouchers or up to \$5,000 (unless amended by District) for Enhanced Vouchers to cover eligible project costs.
- Eligible project costs include the cost of the new device including sales tax, installation including any parts, materials, permits, or labor required for the safe and legal installation of the device, and disposal of the old stove or insert.
- This Voucher is valid for the following:
 - Replacement of a non-certified wood stove/insert or open hearth fireplace used as a primary source of heat with an EPA certified wood stove/insert, natural gas or propane stove/insert, or electric stove/insert.
- The residence must be located within Lake County.
- This Voucher cannot be redeemed by the applicant for cash. It only can be used in conjunction with the purchase of a new qualified device from a **Participating Retailer**. A Voucher given to a non-participating retailer shall not be accepted and the voucher amount will not be honored by the District.
- The Voucher is not valid until signed by the customer.
- This Voucher must be given to the **Participating Retailer** at the time of purchase of the new appliance. If you do not provide the original voucher to the participating retailer at the time of purchase, the participating retailer will not be obligated to give you the discount at the time of purchase or at a later time.
- Funding for the Voucher is first come, first served. The voucher will only be valid for four weeks from date of issuance.
- The device must be installed by a licensed installer, **not** the home owner.
- This Voucher will be forfeited if false information is provided to the District or if the required information is not submitted to the District prior to the expiration date listed on the Voucher.
- This voucher program was supported by the California Climate Investments (CCI) Program.
