NARRATIVE ON COSTS:

ADANI Systems, Inc. has the infrastructure, inventory and human capital in the State of California to support the County of Lake and the Lake County Sheriff's Department. Our resources are dedicated to body scanning solutions for the corrections market; exclusively. From a pricing perspective, this allows us to respond to your RFQ very aggressively. The result is a comprehensive program for a period of 5-years from the date of acceptance by the County. This includes Site Survey, Installation and Commissioning, Preventive Maintenance, Software Upgrades and Emergency Services. This covers the X-ray tube.

Line 1 – The CONPASS Full Body Scanner includes all hardware, software, workstations, and monitors. The system comes with a two-year warranty as required in the RFQ.

Line 6 – “Other Costs” include Service Contract pricing for years 3, 4, and 5.

Line 7 – Grand Total includes the complete CONPASS Full Body Scanner and five (5) years of comprehensive Service Contract coverage meeting the definition in Line 8.

Line 8 – Year 4 and Year 5 costs are included in the Line 6 total. The costs for All-inclusive Service Contract after year 5 is \$8,000.00 per year. This price also applies to year 7.

OPTIONS PRICING NOT INCLUDED IN BASE BID:

• Bar Code or RFID Scanner and Software	\$ 1,500.00
• Dual-View Upgrade	\$64,900.00
• DruGuard® Automatic Detection Algorithm	\$10,000.00
