

## **BRIDGE Act of 2018, AB 893 (E. Garcia)**

**“Building Resilience by Integrating Dynamic Green Energy Act of 2018”**

*AB 893, the BRIDGE Act of 2018, authored by Assemblymember Eduardo Garcia and jointly authored by Senator’s Ben Hueso and Henry Stern, would ensures that existing renewable energy resources like geothermal and biomass stay online and new geothermal, biomass, wind and solar projects that are needed to cost-effectively meet the state’s existing RPS and GHG goals are contracted by all load serving entities in a timely manner.*
