Re: Request to pursue a new LEMSA

Dear Denise;

This serves as a letter of support on behalf of the Lake County Fire Protection District for the Lake County Public Health to pursue a potential change in the LEMSA services currently provided by NCEMS. Over our long history with NCEMS, we do not feel they are meeting the goals and objectives of my agency and are unable to keep up with the ever changing challenges and trends currently driving the pre-hospital EMS systems. This would include metropolitan, rural and wilderness areas of service. With that said the LCFPD would like to assist in any way to pursue other options for LEMSA services. If you have any questions, please feel free to contact me.

Respectfully submitted,

William "Willie" Sapeta, Fire Chief
