When professional qualifications are clearly superior among two or more consultants/ contractors, priority consideration shall be given to consultants/contractors in the following order:

1. Consultants/contractors located within the County of Lake which are defined as local bidders pursuant to the County Purchasing Ordinance. (Not applicable to contracts governed by Section 4526 of the Government Code).
2. Consultants/contractors located within the general geographical area of the project.
3. Consultants/ contractors located outside the general geographical area of the project, but whose past operations and experience within the general geographical area make such firms intimately familiar with the area.
4. Consultants/ contractors who do not possess an intimate knowledge of the general geographical area, but whose professional qualifications and experience clearly indicate their capability to undertake the project.

When qualifications of consultants/ contractors are equal, or nearly so, consideration shall be given to the volume of work previously awarded by the County to the consultants/ contractors, with the objective of equally distributing the County's contracts among qualified consultants and contractors.
