

August 6, 2019

Dear Carol, Denise, and Lake County Board of Supervisors,

I have accepted a position as a Public Health Medical Director in San Bernardino County and will be resigning as Public Health Officer in Lake County as of August 30, 2019. Please accept my gratitude for the opportunities for professional growth afforded by serving as Lake County Public Health Officer. I have enjoyed getting to know Lake County as a tight-knit community and participating in community events, including the County Fair and Heroes of Health and Safety fair. It was rewarding to be involved in the inter-agency collaboration and commitment to serving the community during the Mendocino Complex Fire. I wish success and good health for the community and thank you again for the opportunity.

Sincerely,

A handwritten signature in black ink that reads "Erin Gustafson M.D., MPH". The signature is written in a cursive, flowing style.

Erin Gustafson, M.D., MPH
