All attorneys providing services under this Agreement, including CONTRACTOR, shall at all times each be an Attorney at Law admitted and licensed to practice in the State of California and shall at all times maintain active status with the California State Bar Association.

CONTRACTOR shall complete in a professional and diligent manner all legal representation of indigent persons that CONTRACTOR is properly appointed to represent, consistent with Section 27706(a) of the Government Code. CONTRACTOR agrees to provide competent and adequate legal representation of indigent defendants when appointed to do so by a judge of the Lake County Superior Court.

CONTRACTOR's representation shall be of the kind usually and customarily as a complete legal defense service in criminal cases for indigent defendants whom the Court appoints CONTRACTOR to represent. Such complete legal defense services shall include, without limitation, all necessary court appearances for motions, trials, adjudications, hearings, dispositions and sentencing; preparation of writs, legal research and trial preparation; necessary support services, including, without limitation, investigative, paralegal and clerical support services; necessary ancillary services including, without limitation, expert witnesses, psychological evaluations; all necessary motions and appearances to the conclusion of the proceeding, including, without limitation, requests for modification of probation, alleged violations of probation or failure in a diversionary program or other representation of a previously sentenced or adjudicated client not involving new criminal charges and collateral appearances for such actions as dismissals under Vehicle Code Section 41500 or as part of a plea bargain agreement; all legal defense services reasonably and legally required therein from the time of appointment through a final adjudication of the proceeding, including those duties required by Penal Code Section 1240.1 (a) and Welfare and Institutions Code Section 800; and all other and such other legal representation or services necessary to provide complete legal defense services to disposition of a defendant's case.

- ix. Motions for new trials;
- x. Motions to withdraw a plea;

C. Additional Compensation - Capital and Complex Cases

- i. Complex cases requiring extraordinary attorney time shall be subject to additional compensation to be determined by the parties subsequent to good-faith negotiations.
- ii. <u>Death Penalty Cases:</u> Subject to appointment by the Court of CONTRACTOR or any of its independent attorney subcontractors to a death penalty case (a capital case within the meaning of Penal Code Section 987.9), the following fees will apply and shall be payable on or before the last day of each month following the Superior Court's approval of *Keenan* counsel in a capital case: Seventy-five dollars (\$75) per hour for pre-trial work and seventy-five dollars (\$75) per hour for work while in trial, to each attorney (two attorneys maximum per defendant, contemplating one attorney for guilt phase and one attorney for penalty phase.) COUNTY reserves the right to contract these cases separately from this contract as needed.

The compensation payable under this Section, together with the expense payments provided for in Section 2 (CONTRACTOR'S RESPONSIBILITIES) above, is the maximum amount which COUNTY must pay for the legal defense of indigent criminal defendants under this Agreement, and CONTRACTOR shall assume and pay all other expenses incurred in the performance of this Agreement.

CONTRACTOR shall ensure that any of its independent attorney subcontractors assigned to a death penalty case is qualified, experienced, and competent to provide legal defense services in such cases.

D. Levels of Conflict Defense

CONTRACTOR shall provide legal defense services for up to seven (7) conflict levels for individual indigent defendants in a felony case, and up to twelve (12) conflict levels for individual defendants in a misdemeanor case. CONTRACTOR shall employ that combination of CONTRACTORs and/or Contract CONTRACTORs as are necessary to ensure the delivery of complete legal defense services for up to seven (7) indigent defendants in a felony case and up to twelve (12) indigent defendants in a misdemeanor case.

E. Contractor Staffing and Coverage

CONTRACTOR shall deploy such attorneys in such sufficient numbers and with the requisite preparation, experience and availability as will provide the legal representation contemplated in this Agreement and as will ensure that the business of the Court is not unreasonable delayed or impeded. CONTRACTOR shall provide a sufficient number of competent attorneys in order to deliver legal services to indigent defendants hereunder and provide adequate coverage to the Court.

F. Contract Attorneys

CONTRACTOR and COUNTY have the mutual objective to achieve a legal defense system that provides competent indigent defense services and adequate coverage to the Court. Therefore, CONTRACTOR shall maintain under contract a sufficient number of attorneys, presently estimated to be fourteen (14) Contract Attorneys, to provide adequate legal defense services to indigent defendants.

CONTRACTOR recognizes COUNTY's objective to obtain legal services across all levels of conflict defense as required herein. A Contract Attorney declaring a conflict in representing an indigent defendant exposes COUNTY to increased costs for court-appointed attorneys to represent the indigent defendant. COUNTY desires that such conflicts be minimized so that the maximum number of indigent defendants receives representation under this Agreement instead of through courtappointed attorneys. To that end, and to the extent permitted by law, CONTRACTOR shall endeavor to minimize the number of Contract Attorneys who allege a conflict of interest and agrees to promptly employ those practices and procedures described in CONTRACTOR's response to the COUNTY's request for proposals for the provision of indigent defense services, which response is attached hereto and incorporated herein by reference. CONTRACTOR shall provide COUNTY (County Administrative Officer or designee) with a monthly statistical report on the number of declared conflicts by Contract Attorneys. In addition to the meeting requirements specified in Section 2.R. herein, CONTRACTOR shall also consult with COUNTY at least every six (6) months to review changes or refinements to the Agreement or the parties' implementation thereto that are reasonably needed to minimize the number of conflicts resulting in court-appointments of private attorneys. However, CONTRACTOR shall meet with COUNTY at times earlier than every six (6) months if the circumstances warrant and upon COUNTY's request. An important purpose of the aforesaid reports, meetings and consultation is to avoid causing COUNTY to incur unnecessary additional costs from a Court appointment of private counsel at COUNTY expense.

CONTRACTOR's contracts with private attorneys shall be in writing and shall contain provisions that: (1) prohibit them from seeking a court appointment directly from the Court to represent any indigent defendant CONTRACTOR previously assigned to them; (2) prohibit them from converting any indigent defendant CONTRACTOR previously assigned to them into a private criminal defense client;, (3) require all Contract Attorneys to obtain the insurance policies required of CONTRACTOR in "INSURANCE" Section of the Agreement, and to name COUNTY as endorsed on the policy an additional insured in each such insurance policy. CONTRACTOR shall include in each contract with a private attorney the provisions set forth in the "CONTRACTOR Staffing and Coverage" and "Personnel", and subsections of this Agreement.

Contract Attorneys shall maintain offices separate from the CONTRACTOR and from such other attorneys that CONTRACTOR engages to act as a Contract Attorney. The use of separate offices is to avoid conflicts of interest and an ethical "glass wall," as that term is recognized in *Castro v. Los Angeles County Board of Supervisors* (1991) 232 Cal.App.3d 1432.

CONTRACTOR shall remain legally responsible for the performance of all terms of this Agreement, including the work performed or to be performed by Attorney employees or its independent attorney subcontractors. Any subcontracting by CONTRACTOR shall be subject to all applicable provisions of this Agreement. Additionally, CONTRACTOR shall ensure that its Contract Attorneys are held to the same "For Cause" termination standards to which CONTRACTOR is held pursuant to Section 10.B. herein.

G. Appointment Process

The indigent defense system to be implemented by CONTRACTOR hereunder provides for the Lake County Superior Court's case assignment of Contract Attorneys directly. CONTRACTOR shall provide the Court with a list of available and appropriately qualified attorneys with the time frame required by the CourtIn the event the Contract Attorney declares a legal conflict of interest in regard to a particular case, the case will be referred back to the CONTRACTOR for assignment to an alternate Contract Attorney. Through the hiring of sufficient and competent Contract Attorneys will ensure that the required levels of conflict defense set forth in Section 2.D. of this Agreement will be provided.

H. Ancillary Services

CONTRACTOR and COUNTY acknowledge that although this Agreement includes costs for legal and investigative expenses, ancillary and supportive services may be necessary to provide adequate representation to indigent defendants. In addition, California and Federal courts have ruled that there is an inherent conflict of interest in cases when the CONTRACTOR must choose between spending funds on their own compensation or, in the alternative, on experts or other services potentially benefiting the client. Accordingly, the "Ancillary Services" Section of this Agreement provides a separate list of the types of ancillary services not to be paid by the CONTRACTOR and that will be paid by the COUNTY.

Subject to approval by the Court, CONTRACTOR shall ensure that its Contract Attorneys shall obtain such ancillary and supportive services as may be necessary to provide adequate representation, including, but not limited to, investigative services, expert witnesses, forensic experts where deemed necessary by CONTRACTOR, and such other services properly required by CONTRACTOR designed to assist the indigent defendant in the preparation and presentation of his or her case. Ancillary services are to be provided in accordance with such policies and fee schedules of the Court as are applicable hereto.

CONTRACTOR shall retain a sufficient number of investigators on staff or under contract at all times to provide investigative services adequate to service the projected caseload. CONTRACTOR and Contract Attorneys are required to use investigators who are licensed or exempt from licensure by the State of California for any and all services pertaining to the fulfillment of this contract in accordance with the Business and Professions Code Section 7520 et seg.

The following ancillary services are subject to Court approval and shall thereafter be paid by the COUNTY:

- ii. Transcription Fees;
- iii. Interpreter Services;
- iv. Polygraph Services
- v. Costs for Psychological Evaluations and Reports;
- vi. Laboratory and Forensic Services;
- vii. Extraordinary costs/expenses related to defense representation (with prior approval); and
- viii. Other specialized services which cannot reasonably be provided by CONTRACTOR's staff.

Private Practice of Law

CONTRACTOR shall be allowed to engage in the private practice of law, including the defense of those charged with crimes, provided that no private case may cause a conflict of interest which would prevent CONTRACTOR from providing the contracted services herein. CONTRACTOR shall not accept any compensation or other material benefit for providing legal defense services to any indigent defendant in a case that is a Covered Proceeding under this Agreement. Under no circumstances shall CONTRACTOR receive compensation for providing legal defense services to an indigent defendant in a Covered Proceeding except pursuant to this Agreement. CONTRACTOR shall also refrain from any actions resulting in a

referral of an indigent defendant, subsequently determined to be eligible to receive legal defense services under this Agreement in a Covered Proceeding, to a different CONTRACTOR already employed by CONTRACTOR for compensation other than from this Agreement. These restrictions are specifically intended to include Contract Attorneys and CONTRACTORS shall ensure that its contracts with Contract Attorneys shall contain said restrictions.

J. Office Access and Appointments

CONTRACTOR shall maintain an adequate Lake County office that shall be open during normal business hours for appointments by indigent defendants who are not in custody. CONTRACTOR shall maintain published office addresses and telephone numbers and a telephone answering service or devices for taking telephone messages during non-business hours. In-custody clients generally shall be interviewed within thirty-six (36) hours of CONTRACTOR's appointment. Out-of-custody clients generally shall be interviewed within seventy-two (72) hours of CONTRACTOR's appointment.

K. Obligation to Keep Courts Informed

CONTRACTOR shall keep all courts informed of the status of pending cases for which Contract Attorneys have been appointed and shall advise the Court at the earliest possible time as to whether cases will be settled or go to trail, whether continuances are needed, whether and whenever interpreters will be needed, and other such matters bearing on the scheduling of cases before the Court. At the commencement of this Agreement, CONTRACTOR shall submit to COUNTY written plans setting forth the deployment of attorneys and Contract Attorneys in the Court, including the Juvenile Court and branch courts, for the COUNTY's review and approval. CONTRACTOR shall submit to the COUNTY updates of the deployment plans as soon as reasonably possible to reflect changes in deployment of attorneys.

L. Administration of Practices and Procedures

CONTRACTOR shall generate written practices and procedures for use by all attorneys providing services under this Agreement, including Contract Attorneys which are designed to avoid, whenever possible, the existence of conflicts of interest. Upon request, CONTRACTOR shall provide COUNTY and the Court a list of attorneys providing services under this Agreement. Each list shall contain a brief biographical sketch pertaining to each attorney's professional experience. CONTRACTOR shall notify COUNTY and the Court of any proposed changes in attorney staffing, including Contract Attorneys.

M. Declining Court Appointments

CONTRACTOR shall not decline court appointment in any cases except for legal conflict of interest or other legal grounds.

N. <u>Personnel</u>

CONTRACTOR represents that all attorneys providing services under this Agreement, including Contract Attorneys, shall possess at all times herein the requisite experience, training, skill and competence to provide competent legal services as assigned counsel and are willing to provide the services described in this Agreement. CONTRACTOR represents that the CONTRACTOR has, or will secure at its own expense, all personnel required to provide the services described in this Agreement. All of the services required to be provided hereunder will be performed by CONTRACTOR, CONTRACTOR's legal staff under its supervision, or CONTRACTOR's Contract Attorneys and all personnel engaged in the work shall be qualified to perform such services. CONTRACTOR's personnel expressly agreed that they are not the employees of the COUNTY. CONTRACTOR staff and Contract Attorneys shall consist of such attorneys, paralegal and clerical personnel in sufficient quantity and quality to meet all constitutional, statutory, and case law requirements for the defense of indigents in Lake County and to adequately and professionally carry out the duties and obligations set forth in this Agreement.

O. Registration; Accounting; Reimbursements

At the conclusion of a case and upon request of the Court, CONTRACTOR shall require Contract Attorneys to provide the Court with an accounting of all time expended and costs to assist in determination of the cost of counsel pursuant to Penal Code Section s 987.4 and 987.8.

CONTRACTOR shall assist COUNTY in obtaining qualifying reimbursements from the State of California, should any Contract Attorney providing services hereunder be assigned cases involving "homicide", "special circumstance" as charged by the District Attorney "not guilty by reason of insanity pleas" and "sexually violent predator civil commitments" such cases shall be clearly identified on all reports. In addition to required monthly reports, a report reflecting total costs for these type cases shall be provided to COUNTY within thirty (30) days of the end of each fiscal year.

P. Client's Interest

CONTRACTOR shall at all times be governed solely by considerations of the client's interests and at no time shall the exercise of CONTRACTOR's judgment in the performance of the legal services on behalf of CONTRACTOR's client be subject to the direction or control of COUNTY or any representative of COUNTY.

Q. Other Indigent Legal Services

CONTRACTOR agrees to meet and confer with COUNTY, upon receipt of ninety (90) days' notice by COUNTY, concerning any need for further indigent legal services not specifically set forth in this Agreement, including any modifications associated with potential changes to the indigent legal services system.

R. Coordination Meetings

During the first six months of the initial Term of this Agreement, CONTRACTOR agrees to meet monthly with the County's Public Defender Oversight Committee (or their Designee) to assess CONTRACTOR's ability to comply with the Performance Standards established herein, and assess CONTRACTOR's ability to sufficiently document said compliance. Said assessment shall include but not be limited to evaluating the effectiveness and/or sufficiency of the CONTRACTOR's: 1) case management system (especially as it relates to monitoring caseloads, declared conflicts of interest, client contact, use of investigators and time spent on each case); 2) form and content of proposed monthly reports; and 3) system of managing client complaints. At the conclusion of said six month Term, a the Public Defender Oversight Committee (or their designee) shall submit a report to the Lake County Board of Supervisors that summarizes the monthly findings and corrective actions the parties have mutually agreed to initiate.

Notwithstanding the foregoing, at any time during the Term hereof, upon request, the CONTRACTOR shall meet with COUNTY and/or Court representatives to coordinate indigent defense services being provided and improve any inefficiency that may be within CONTRACTOR's scope of control.

S. Designation of Primary Point of Contact

During the Term of this Agreement, Anakalia K. Sullivan shall serve as the primary point of contact for the COUNTY and the courts for the services provided hereunder.

3. CASELOAD AND WORK LEVELS

COUNTY has disclosed to CONTRACTOR all information it possesses concerning the type and number of cases handled by COUNTY's prior contractors for this service. CONTRACTOR agrees that, based upon this information and CONTRACTOR's own independent investigation of the facts and circumstances surrounding the provision of indigent conflict defense services in Lake County, and CONTRACTOR's own experience in the criminal law field representing indigent defendants, this Agreement contains an expanded definition of the duties to be provided to an indigent defendant. CONTRACTOR further agrees that they are experienced as attorneys in the representation of indigent defendants, and that CONTRACTOR's projections are based upon its independent investigation and consideration of the circumstances, policies and practices within Lake County and has recommended a flat fee rate for the provision of services hereunder. CONTRACTOR and COUNTY acknowledge that many factors outside the control of the parties can affect the ability of CONTRACTOR to accurately project caseloads and/or work levels with certainty. The Court and the prosecution largely control such factors as the length of time between arraignment and trial, local sentencing practices and pleading negotiation practice. CONTRACTOR has anticipated and liquidated in its flat fee and projected yearly increases, to the extent possible, all additional expenses arising from such change, and CONTRACTOR assumes the risk of and hereby waives any claim(s) to additional compensation for expenses which may be incurred by reason of such or similar circumstances.

These agreements and representations of CONTRACTOR are a significant inducement to COUNTY to enter into this Agreement, and COUNTY relies upon CONTRACTOR's experience and understanding of the criminal justice system and its vagaries, as well as CONTRACTOR's understanding of the circumstances likely to occur during the term of this Agreement.

Notwithstanding the foregoing, extraordinary events or conditions beyond the reasonable expectation of the parties may give rise to a need to modify or adjust this Agreement to ensure that CONTRACTOR will be able to perform the obligations of this Agreement and to provide adequate legal representation. In the event of such extraordinary events or conditions, CONTRACTOR may request COUNTY to agree to modify this Agreement, upon reasonable notice and satisfactory proof thereof, to provide for the occurrence of such extraordinary events or conditions to permit CONTRACTOR to continue to perform its obligations under this Agreement. COUNTY maintains the right to choose to enter or not enter into any such modification of this Agreement. Extraordinary circumstance may include the cumulative effect of multiple homicide cases involving extreme expenses. In the event that the CONTRACTOR is required to devote an extraordinary expenditure of time and effort not reasonably foreseen by this Agreement, CONTRACTOR may apply to the Lake County Board of Supervisors for a modification to this Agreement to provide for additional reasonable compensation.

4. AVOIDING CONFLICTS OF INTEREST

The parties recognize that ethical considerations such as those referred to in the Rules of Professional Conduct may prohibit the CONTRACTOR from accepting some appointments normally included in the Agreement caseload. The CONTRACTOR agrees to establish a system for immediately screening new appointments upon intake to discover potential conflicts of interest.

Specifically CONTRACTOR agrees and warrants that they are familiar with and will comply with Rule 3-320 of the State Bar of California's Rules of Professional Conduct. Further, CONTRACTOR agrees to provide COUNTY (County Administrative Officer or designee) a letter on an annual basis describing CONTRACTOR's compliance with Rule 3-320 as it relates to any CONTRACTOR partner or employee. Said letter is incorporated by reference.

Upon discovery of a conflict of interest or other ethical considerations which preclude further representation by CONTRACTOR or any Contract Attorney, CONTRACTOR shall immediately notify the affected client(s) and the Court and assist in the referral and/or transfer of the case to another CONTRACTOR to provide indigent legal services of the same type. COUNTY must be advised when CONTRACTOR is not able to provide representation as described in this Agreement.

CONTRACTOR shall not be prohibited from engaging in the private practice of law, including the defense of those charged with crimes in any and all proceedings, provided that no private case shall be accepted which may cause a conflict of interest to arise wherein CONTRACTOR would be thereby be rendered unable to represent an indigent person.

Cases must be assessed as to seriousness and complexity and only assigned to indigent defense providers who possess the requisite relevant experience, training, and ability necessary for such matters.

Reasonable maximum caseloads should be established after evaluating the workload that each type of case represents in the context of the criminal practices and procedures used in Lake County. No attorney should be assigned more cases than he/she can effectively handle.

5. MINIMUM PROFESSIONAL QUALIFICATIONS

CONTRACTOR shall ensure that CONTRACTOR and all Contract Attorneys performing legal services under this Agreement are active members in good standing of the State Bar of California. CONTRACTOR shall maintain ongoing communications with the local Bar Association and other interested professional groups to assure that CONTRACTOR's operations meet the established professional standards for adequate representation. CONTRACTOR shall, during the term of the contract, report to the Lake County Administrative Officer (or designee) pending disciplinary matter within 24 hours of becoming aware of it.

CONTRACTOR shall provide to COUNTY names of all attorneys performing legal defense services under this Agreement, their experience, qualifications, and areas of specialization, and shall update this information promptly as necessary.

CONTRACTOR shall develop and establish categories of minimum special qualifications and categories of cases for which each attorney is eligible to handle.

6. PERFORMANCE STANDARDS

The legal representation provided by CONTRACTOR and all attorneys performing legal services under this Agreement shall be of such high quality as will meet all constitutional, statutory, case law, and professional standards and requirements. Federal and State Constitutions require provision of competent counsel in criminal cases. In California, the test for determining competency of counsel in criminal cases is that of a "reasonably competent attorney acting as a diligent, conscientious advocate" (*People v. Pope* (1979) 23 Cal.3d 412, disapproved on a different ground in People v. Berryman (1993) 6 Cal.4th 1048, 1081, fn.10, overruled on a different ground in People v. Hill (1998) 17 Cal.4th 800, 823; see also In re Scott (2003) 29 Cal.4th 783; People v. Bennett (1998) 17 Cal.4th 373.) CONTRACTOR agrees to provide competent legal services in conformity with the above standards. Specifically, the following duties and responsibilities of counsel as set forth in prior court decisions and professional standards will be observed. These include:

- A. Duty of careful factual and legal investigation. (*In re Saunders*, 2 Cal.2d 1033(1970), holding modified on other grounds by *People v. Duvall*, 9 Cal.4th 464 (1995). This includes the duty to research the law and raise settled objections. (See also ABA Standards for Criminal Justice: Prosecution and Defense Function, 3d ed., ©1993, Defense Function, Part One, General Standards (hereinafter referred to "ABA Defense Function General Standards"), Section 4-4.1.)
- B. Duty to take prompt action to protect a client's legal rights. (ABA Defense Function General Standards, Section 4-3.6.) [This includes procedural steps such as moving for pretrial release, obtaining psychiatric examination, moving for change of venue or continuance, suppression of illegally obtained evidence, severance from jointly charged defendants, or dismissal.]
- C. Duty to keep the client informed. (ABA Defense Function General Standards, Section 4-3.8.)
- D. Duty to prepare for jury selection, examination of witnesses, submission of instructions and presentation of argument at trial. (See ABA Defense Function General Standards, Section 4-7.2, 4-7.6, 4-7.7; Amsterdam, *Trial Manual for the Defense of Criminal Cases*, 3 Ed., 1974.)
- E. Duty to know and explore sentencing alternatives. (ABA Defense Function General Standards, Section 4-8.1.)
- F. Duty to advise concerning appeals. (ABA Defense Function General Standards, Section 4-8.2.)
- G. Duty not to accept more cases than can be competently handled. (See Martin v. State Bar, 20 Cal.3d 717 (1978).)
- H. Duty not to handle a legal matter which the lawyer knows or should know that he/she is not competent to handle. (ABA, Code of Professional Responsibility, Canon 6, Disciplinary Rule No. 6-101(a).)
- I. Duty to maintain client confidences and secrets.
- J. Duty to maintain regular and meaningful client contact.

Except as otherwise provided herein, this Agreement shall be construed so no breach occurs if CONTRACTOR's conduct is dictated by constitutional or statutory requirements, CONTRACTOR's duties to the courts, clients, rules of professional responsibility, or considerations of professional ethics.

CONTRACTOR, in the performance of this Agreement, shall comply with all applicable federal, state and local laws, and the regulations, guidelines, procedures and standards promulgated thereunder, as well as all applicable professional standards.

Failure on the part of CONTRACTOR to monitor and take corrective action as to any attorney performing services under the Agreement who repeatedly fails to make required court appearances, repeatedly relies upon other counsel to make court appearances on his/her behalf, and/or who repeatedly engages in unprofessional conduct shall be considered a material breach of this Agreement.

7. PROFESSIONAL TRAINING AND DEVELOPMENT

CONTRACTOR shall ensure that the ongoing legal education of its staff attorneys and/or Contract Attorneys includes formal training likely to assist the individual attorney's professional development in providing indigent defense services.

8. COMPENSATION

A. Total Contract Price

Except as enumerated hereinafter in Section 8.B., the annual Total Contract Price to be paid CONTRACTOR by COUNTY is not to exceed One Million Three Hundred and Twenty Thousand Dollars and No/100 Cents (\$1,320,000) per annum consisting of the services to be provided hereunder, including the work to be performed hereunder, for all of the administration, management and supervision, attorney services, support services, facilitation of ancillary services, and other services identified in CONTRACTOR's Proposal to COUNTY's RFP, all as further defined and specified in this Agreement (hereinafter referred to as "Total Contract Price.").

The Total Contract Price includes all of the prices, fees, charges and expenses necessary in accordance with this Agreement to provide the services hereunder and to meet the requirements of CONTRACTOR's Proposal and COUNTY's RFP. Accordingly, no amounts not specified in the "Ancillary Services" subsection shall be billed to or paid by COUNTY, except pursuant to this Agreement or amendment hereto authorized by COUNTY'S Board of Supervisors. CONTRACTOR shall not assign any payments or portions of payments without prior written consent of COUNTY.

CONTRACTOR's agreement to the flat fee in this Agreement is based upon CONTRACTOR's Proposal and CONTRACTOR's independent investigation and review of the statistical information set forth in the COUNTY's RFP and CONTRACTOR's Proposal. The parties agree and represent to each other that the flat fee basis of compensation has been established after consideration of the facts set forth in California Penal Code Section 987.3.

B. Exceptions to Total Contract Price:

- ii. Subject to the limitations set forth in Section 2.C. hereinabove, capital cases beyond first-chair and complex cases requiring extraordinary attorney time.

C. Ancillary Services

All attorney and investigative expenses for representing indigent defendants are included under this Agreement, except for those non-attorney expenses listed below. Those costs deemed necessary and reasonable by the Court in the performance of services authorized by this Agreement shall be paid by the COUNTY:

- i. Expert witness fees, payable in accordance with State law;
- ii. Transcription Fees;
- iii. Interpreter Services;
- iv. Polygraph Services;
- v. Costs for Psychological Evaluations and Reports;
- vi. Laboratory and Forensic Services;
- vii. Extraordinary costs/expenses related to defense representation (with prior approval); and

the said attorney is relieved from all such cases, then his or her duties under this contract are ended, and COUNTY shall pay CONTRACTOR through the termination date, and remainder of this section shall not apply to CONTRACTOR (or its independent Attorney Contractors). However, if CONTRACTOR or its independent Attorney Contractors have one or more cases in which they are still the attorney of record on the termination date, the COUNTY shall negotiate with CONTRACTOR compensation to be paid based on the evaluation of caseload.

ii. Unless terminated as herein provided, this Agreement is scheduled to end on June 30, 2019. After the termination date, under this Agreement, the Court shall not assign any cases to CONTRACTOR (or its independent Attorney Contractors), and CONTRACTOR (or its independent Attorney Contractors) shall not accept cases.

10. TERMINATION

This Agreement may be terminated in accordance with the following:

A. Non-Allocation of Funds

The terms of this Agreement and the services to be provided hereunder are contingent upon the approval of funds by the appropriating government agency. Should sufficient funds not be allocated, the COUNTY may modify the Administrative services provided by Lake Indigent Defense, LLP or terminate this Agreement, at any time by giving the CONTRACTOR thirty (30) days advance written notice.

B. For Cause

COUNTY may, in addition to any other remedies it may have, by giving written notice thereof to CONTRACTOR in the manner set forth under Section 24 herein ("NOTICES") immediately suspend or terminate this Agreement in full or in part, where in the determination of COUNTY there is sufficient cause due to:

- i. An illegal or unethical use of funds;
- ii. A failure to comply with any material term of this Agreement;
- iii. A substantially incorrect or incomplete report submitted to COUNTY after a request to correct or complete the report has been complied with in a timely manner;
