RE: HOPE RISING CENTER FOR TRANSFORMATION FOR PERSONS EXPERIENCING HOMELESSNESS

### LETTER OF SUPPORT AND COMMITMENT

On behalf of The Board of Supervisors, please accept this letter of commitment to participate with Hope Rising Center for Transformation. Hope Rising envisions its community to become a healthier place, where generational poverty is reduced and sustainable housing is accessible for all. Hope Center will provide individualized services for our neighbors experiencing homelessness who are motivated to change regardless of barriers so that they can make a home and become their best self.

The Board of Supervisors commits their support to our partners at Hope Rising as we have in the past. We understand that the Hope Rising Center for Transformation located in Clearlake California will be an instrumental resource for the individuals of Lake County experiencing homelessness or are at risk of homelessness. We are dedicated to this project and look forward to further collaboration.

The Board of Supervisors, is committed to the work of Hope Center, its mission, its ability to serve our unsheltered neighbors and will be active partners in Hope Center by:

- Maintaining engagement with Hope Rising and collaborate in all areas regarding Hope Rising Center for Transformation.
- Informing the Hope Rising board members of housing need and homeless community
- Assisting Hope Rising with potential grants and with the City of Clearlake to align funding
- Actively participate in regularly scheduled meetings

Sincerely,

Tina Scott
