Good afternoon. For fact finding I drove the ingress and egress roads to these address and the general area. When you leave Hoffacker Road, the access roads/driveways meet no standard for a driveway, one way road or a road. We have revived a RFR from the County for a Commercial Use Permit in this area. The South Lake County Fire Protection District does not support the issuance of any Minor or Major Use Permits that do not apply State Law minimums for Fire Safe Regulations. While these address's are in the South Lake County Fire Protection District, we the Fire District are not the AHJ. The County of Lake is the AHJ, and we support the County Fire Marshal as the AHJ to enforce all requirements. Please encourage all residents with concerns to contact the County Fire Marshal directly.

Subject: Received Complaint-Assistance Request from Resident on Hoffacker

Good afternoon, I received a complaint from a property owner on Hoffacker in the area of SLCFPD & LCFPD. The property in question is 16983 Hoffacker with an APN of 012-056-44. In reviewing the address/APN this is in the SLCFPD and not the LCFPD and it has to do with a Cannabis and/or Hemp operation. I advised the individual who resides at 26713 Hoffacker Lane and can be reached at 707-350-1281 that the LCFPD has no jurisdiction on that parcel and to make contact with the SLCFPD. If there is anything we can do to assist please feel free to contact me.
