

COUNTY OF LAKE
Board of Supervisors
Temporary Policy
Requiring County Employees to Wear Masks in County Facilities
April 21, 2020

Due to the COVID-19 pandemic, and according to the guidance of the Lake County Public Health Officer, effective immediately and until further notice, for the safety and well-being of County employees and of the public, all County employees will be required to wear masks, provided by the County, when working face-to-face or in close proximity with the public or other employees, unless protective shields are in place. In addition, when working in common areas or using restrooms and break areas of County facilities, County employees are strongly urged to wear masks.
