Subject: [EXTERNAL] Tuesday 6/16/20 meeting agenda item 7.4
Date: Monday, June 15, 2020 11:39:23 AM

Hello,

I am writing to you today to show my support for item 7.4. This community has stood strong through so many disasters, each one hitting harder than the last. We need to get our county back up and running, but we need to do so SAFELY, in a way that will allow ALL of our citizens to get out and patronize our small businesses and with the current state of things, many of us still do not feel safe. We have become reliant on Facebook groups and word of mouth to let us know which businesses are enforcing masks and social distancing and which are not, and even then some of these places vary from day to day with their enforcement. Please pass this ordinance and allow Code Enforcement to enforce the mandatory policies that you have put in place, so that all citizens of this county can feel safe when venturing out.

Thank you for your time.
