Date: Sunday, June 14, 2020 3:54:59 PM

To each Lake County BOS member (Moke Simon; Bruno Sabatier; Eddie "EJ" Crandall; Tina Scott; Rob Brown:

Voting yes today (June 16th, 2020) on Item 7.4 means you not only hear the voices of Lake County residents who are concerned about health ordinances to protect everyone but also that our lives matter to you. Your decision to vote yes is evidence that life is the quintessential right... above all else.... to which the citizens you serve are entitled to. Please vote yes on Item 7.4. Thank you in advance for this consideration.

Kind Regards...
