Subject: [EXTERNAL] Agenda Item #7.4
Date: Monday, June 15, 2020 11:00:37 AM

I write to you, the members of the Lake County Board of Supervisors, strongly in favor of agenda item 7.4, the urgency ordinance. The masking and social distancing orders are mandatory, yet there are no consequences for those who choose to ignore them. In light of the large populations of elderly and health compromised people in this community, many of those who do not have the financial stability to continue to stay at home, I am heavily in favor of passing the urgency ordinance to protect them. Please give our community some peace of mind in this trying time, show them that their elected officials hear them and care for their wellbeing. Please enforce the regulations that you have put in place for our protection, and please let it be known that there will be consequences for those who choose to blatantly flout those rules.

Sincerely,
Samuel Price
