Dear BOS,

**Issue #1:** If LC Code Enforcement is responsible for enforcement of mask requirements, then: **Hire extra Code Enforcement officers** to educate the public and enforce this public safety ordinance. Hiring extra personnel and properly training them, will assist in mask enforcement for the protection of all people who frequent our local businesses. **Paying those employee's a living wage will circulate money in our local economy.**

**Issue #2:** Enforcing a mask requirement in businesses should be **prioritized** as follows: **People who continuously violate this requirement should be the first to receive a warning and then, citation, and then a fine.**

Thanks for your attention to this matter.
