Dear BOS Members,

Below are links for:

1. a Sacramento Bee article about the Gov's pending new statewide, mandatory mask order.
2. a Press Democrat article about a 10K fine for a business that has been non compliant with Mendocino County's mandatory mask order.

It's time for Lake County to get up to speed on enforcing our PHO's orders, and I am looking forward to the BOS's support.

Thanks for your listening ears. Rebecca Lane, Middletown
