Re: Inmate Food Service
Request for Meal Price Adjustment

Dear Lieutenant Findley:

It has been an honor and a privilege to provide inmate food services at the Lake County Jail. In response to the population decreases resulting from the COVID-19 pandemic, Trinity is agreeable to adjusting Lake County's sack meal lunch by providing a third sandwich. This menu change will increase the cost per meal by \$0.06. I have attached an updated price per meal scale that includes the additional charge. This change will begin on May 4th 2020 and will remain in effect until Lake County provides Trinity with written notification of its desire to return to the originally agreed upon sack lunch menu. At the time, meal pricing will be reduced by \$0.06.

Assuming this meets with your approval, please sign and return the enclosed Confirmation Copy of this letter. Of course, if you have questions, please feel free to contact me.

Thank you again for your continued business. We always strive to exceed our client's expectations and if there are ever any questions or concerns regarding food service at your office, or if I can otherwise ever be of service, please do not hesitate to contact me.

Very truly yours,

Mark Horneffer
