Re: Board of Supervisors agenda for October 6, 2020, agenda item 5.11:

1. Question: Does this contract replace the one that was on the BoS agenda a couple of weeks ago, or supplement it?
2. In item 1.7 (Page 4 of 13), the approved cost per page for government copying of requested records is \$0.10, not \$0.25.
3. Item 2.1 (Page 4 of 13) states that “Contractor will submit a MHSA Program Progress report for each quarter of the Fiscal Year 2019-2020 including the demographics of those served by the program.” From this statement I infer that this contract is a supplement to the recently approved contract for the non-profit organization, specifically targeting “senior” services, and is possibly a component of the approved MHSA 3-Year Plan’s “Older Adult Programs” section. Please clarify.

I would request that the required progress reports (for previous quarters of the Fiscal Year 2019-2020) be submitted to the Mental Health Advisory Board for their review, and also be provided with an opportunity to participate in the “annual review of the project” referred to in item 4.3 (Page 6 of 13).

4. The “Payment Terms” in items 4. and 4.1 are confusing. In item 4., the total requested is \$36,150.00, but the funding listed in item 4.1 appears to be the amount approved in the contract for Konocti Senior Peer Counseling’s services, \$120,062, indicating that this is a supplementary request (probably for MHSA Older Adult Program funding).
