CCS Information Notice: 20-02

TO: All Local County California Children's Services Program
Administrators, California Children's Services Medical Consultants,
and Integrated Systems of Care Division Staff

SUBJECT: Fiscal Year 2020-2021 County Allocations for California Children's
Services County Administration and the California Children's Services
Medical Therapy Program

The purpose of this California Children's Services (CCS) Information Notice is to provide county CCS Programs with their individual CCS Program County Administrative and Medical Therapy Program (MTP) approved budget allocations for fiscal year (FY) 2020-21. The Department of Health Care Services (Department) calculated these allocations based on the FY 2020-21 County Administration and MTP baseline budget. The Department also calculated these allocations in collaboration with the Budget Allocation Workgroup of the CCS Program Executive Committee. The Department will not issue individual county budget notices.

Each county remains responsible for overseeing and tracking its administrative budget and MTP expenditures and will only be reimbursed up to the county's authorized allocation. In addition, counties cannot shift funding between CCS Program participation categories (i.e., "straight" CCS, CCS/Medi-Cal, and CCS/Optional Targeted Low Income Children Program).

County CCS Programs must adhere to Department guidelines for determination of enhanced and non-enhanced designation of local county CCS Program staff. The documentation for skilled professional medical personnel who qualify for enhanced Federal Financial Participation (FFP) or who work on more than one program must conform to the FFP time study requirements and guidelines.

County CCS Programs must also keep and maintain an audit file. At a minimum this audit file should include:

1. Documentation on required time studies, performed during one or more representative months of the fiscal quarter for each budgeted position claimed under FFP.

2. Documentation in support of training and travel costs and other claimed operational expenditures.
3. Documentation in support of claimed internal and external overhead costs.

Counties should maintain and be able to produce this audit file to State and Federal regulators within seven (7) calendar days of a request.

County CCS Programs are expected to comply with all Federal and State requirements pertaining to the CCS Program, and must adhere to all applicable Department policies and procedures. Counties should also submit invoices based only on actual CCS Program Administration, MTP expenditures, and in accordance with Section 7, Expenditure Claims and Property Management of the PFG manual.

Counties are required to submit CCS Program plans and budgets for FY 2020-21 no later than sixty (60) days from the date of this Information Notice. Please submit your plans and budgets electronically to DHCS SC DAdmin@dhcs.ca.gov.

If you have any questions, please contact the Integrated Systems of Care Division Fiscal Unit at DHCS SC DAdmin@dhcs.ca.gov.

Sincerely,
