Left hand turn lane at C street and highway 29

Matt G., Barbara Wahlborg + Jean Yanich

started this petition to

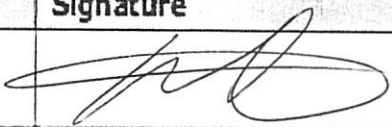

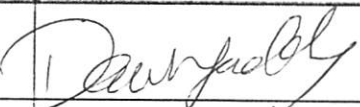

Lake county

A left hand turn lane at C street and highway 29 is greatly needed to help protect our citizens in the area. Over the past few years we have had a large influx of traffic coming through our small county highways. With this increasing traffic accidents have become more common. In the past few months there have been many close calls and 3 fatal car accidents in this area. The road was worked on at the at the beginning of the year but unfortunately just simply widening the road has not been a viable fix for this problem. We need to urge lake county to fix this problem before we have more accidents and tragedy. With a turn lane we will not only have better traffic flow but be saving lives
