THE BOARD OF SUPERVISORS OF THE COUNTY OF LAKE, STATE OF CALIFORNIA, ORDAINS AS FOLLOWS:

Section 1. Subsection (a) of Section 27.3(at)(2)(i)(b) of Chapter 21 of the Lake County Code is hereby amended, and shall read as follows:

- a. The property proposed for commercial cannabis cultivation shall be enrolled with the applicable Regional Water Quality Control Board or State Water Resources Control Board for water quality protection programs as of October 31, 2020, or the applicant shall provide written verification from the appropriate board that enrollment is not necessary.

 - (i) Each applicant, and employee shall electronically submit to the Department of Justice fingerprint images and related information required by the Department of Justice for the purpose of obtaining information as to the existence and content of a record of state or federal convictions and arrests, and information as to the existence and content of a record of

state or federal convictions and arrests for which the Department of Justice establishes that the person is free on bail or on his or her own recognizance, pending trial or appeal.

- (ii) An applicant shall not be eligible to receive a permit until electronic fingerprint images have been submitted to the Department of Justice as described in this Section and the Lake County Sheriff Department or Lake County Community Development Department has reviewed the resulting background information provided by the Department of Justice and determined that the applicant is eligible to receive a permit, as the case may be.
- (iii) Due to the nature of agricultural work, an employee may be permitted to work temporarily upon submitting their electronic fingerprint images and related information. Once the application has been reviewed by the Lake County Sheriff Department or Lake County Community Development Department, the applicant must remove any and all employees who have failed the background checks from the cultivation site or any other operations related to the Use Permit.

Section 7. CEQA. The Board of Supervisors independently finds and determines that this action is exempt from CEQA pursuant to Business and Professions Code section 26055(h) for the adoption of an ordinance, rule, or regulation by a local jurisdiction that requires discretionary review and approval of permits, licenses, or other authorizations to engage in commercial cannabis activity where the discretionary review in any such law, ordinance, rule, or regulation includes any applicable environmental review pursuant to Division 13 (commencing with Section 21000) of the Public Resources Code; and, under Section 15061(b)(3) of the CEQA Guidelines, as an activity that is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. The general exemption applies in this instance because it can be seen with certainty that there is no possibility that the proposed amendments could have a significant effect on the environment, and thus are not subject to CEQA. Thus, it can be seen with certainty that the proposed project would not have a significant effect on the environment.

Section 8. Severability. If any provision of this Ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the Ordinance, including the application of such part or provision to other persons or circumstances shall not be affected thereby and shall continue in full force and effect. To this end,

provisions of this Ordinance are severable. The Board of Supervisors hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses, or phrases be held unconstitutional, invalid, or unenforceable.

Section 9. Effective Date. This ordinance shall take effect on the 11th day of June, 2020 and within fifteen (15) days after adoption of the ordinance, the Clerk to the Board of Supervisors shall publish a summary of the ordinance with the names of those supervisors voting for and against the ordinance and the clerk shall post in the office of the Clerk to the Board of Supervisors a certified copy of the full text of the adopted ordinance along with the names of those supervisors voting for and against the ordinance.
