WHEREAS, CONTRACTOR is a licensed Private Investigator in the State of California and is among those that COUNTY has determined to be qualified to use for the provision of these preferred services.

NOW, THEREFORE, based on the foregoing recitals, the parties hereto agree as follows:

LCSO will provide letterhead with preformatted Official requests for records checks from local law enforcement agencies to the Contractor.

**(A) COMPLETED INVESTIGATIONS**

(B) DISCONTINUED INVESTIGATIONS

It is understood that during the course of a background investigation, the Contractor may encounter information early in the investigative process that disqualifies, or casts serious doubt on the suitability for employment of an applicant. In such situations, it is expected that the Contractor will contact a LCSO designee to discuss such issues. The LCSO designee may authorize the Contractor to cease further work in regard to the background investigation and instead complete an executive summary report with the information discovered in the investigation up to the time that the disqualifying information is discovered. The hourly rate paid for incomplete background investigations will be \$60 per hour for each hour actually worked, with a minimum payment of \$250 for any incomplete background investigation. Nothing in this agreement constitutes an agreement for LCSO to provide a minimum amount of work to Contractor.

(C) EXTRAORDINARY EXPENSES

If the appearance of the Contractor is required by subpoena, summons, or other legal process, or at the request of LCSO, the Contractor shall provide legal testimony on the services contracted for under this agreement. If such testimonial services are provided, LCSO shall pay a rate of \$60 per hour with a three hour minimum, plus travel mileage and any other incurred associated expenses.

In the rare event the Contractor determines a completed investigation will cost more than the agreed upon maximums, the Contractor will obtain pre-authorization in writing from LCSO.

Other extraordinary expenses, such as: mileage in excess of the first 100 miles driven one way during the investigation, road tolls, parking and other incidentals will be decided in advance amongst the parties.

In no event shall the total amount payable under this Contract exceed \$25,000 per fiscal year.
