Adjoining Planned Commercial  
Cannabis Grow

Dear Madame/Sirs:

This office has been retained to represent the Owner , Karen Maurer, residing at 10750 Schuette Rd. Please direct any information or notices concerning commercial cannabis growing permits for her neighbor to our office.

We are very concerned about the water draw on the well on Ms. Maurer's property; it is down the hill from the well that will be supplying this proposed commercial operation.

Please confirm that you have received this letter.

Thank You,  
  
Brooke P. Halsey Jr.  
Attorney for Karen Maurer
