MEMORANDUM

TO: Board of Supervisors

FROM: Jim Steele, District 3 Supervisor

DATE: May 8, 2018

SUBJECT: Approve Letter of Support for AB 2727, as amended April 10, 2018, providing a personal income tax credit for firefighters and authorize the Chair to sign.

EXECUTIVE SUMMARY:

As you know rural fire districts rely heavily on volunteer firefighters. These volunteers and professional firefighters incur expenses related to travel for training and additional safety equipment beyond the minimum provided by the fire district. AB 2727 would provide a personal income tax credit up to 80 percent of the amount incurred by volunteer firefighters and 35 percent to paid professional firefighters, not to exceed \$1,500 a year.

This tax credit is a small recognition that firefighters, who put their lives on the line to protect the lives and properties of others within their community, deserve to have some of their self-paid costs mitigated.
