Recommended Action:

Reconsideration of Previously Approved Mitigated Negative Declaration

I move that the Mitigated Negative Declaration, which was previously prepared for SD 06-01 does meet the requirements of Section 15162(a) of the CEQA Guidelines, and that no additional environmental review need be prepared with the findings listed in the staff report dated March 16, 2020.

Time Extension

I move that the Planning Commission recommend that the Board of Supervisors approve an extension of time for SD 06-01 for a period of two years, with the findings listed in the staff report dated March 16, 2020

NOTE: The applicant or any interested person is reminded that the subdivision ordinance provides for a fifteen (15) calendar day appeal period. If there is a disagreement with the Planning Commission, an appeal to the Board of Supervisors may be filed. The appropriate forms and applicable fee must be submitted prior to 5:00 p.m. on or before the fifteenth calendar day following the Commission's final determination.
