FROM: Philip B Moy, Water Resources Department Director
DATE: April 11, 2017

SUBJECT: Consideration of an Agreement for salvage service for the state Surrendered and Abandoned Vessel Exchange program for the Lake County Watershed Protection District

EXECUTIVE SUMMARY:

The Lake County Watershed Protection District has obtained \$57,600 in funds from the California State Parks, Division of Boating and Waterways to participate in the Surrendered and Abandoned Vessel Exchange (SAVE) Program in 2016-2018.

We received a single response to an RFP for bids that was issued March 6th and closed March 13th. The contract covers vessel salvage and removal of marine debris on the lake, paid on a per-item basis through June 2018.

Contract costs will be supported with grant funds, thus no additional burden will be placed on county fiscal resources.
