### EXECUTIVE SUMMARY:

The Health Services Department, Public Health Division BU 4011 recently had a staff member leave County employment who was in a Staff Services Analyst I/II classification. Public Health would like to change this position to a Health Programs Support Specialist I/II classification.

This request will not only benefit the department and division, it will allow the department to align the support staff for our Emergency Preparedness Program as we have done for other programs within Public Health, specifically Tobacco, Snap-Ed and our California Children's Services programs.

The Classification and Compensation Committee supports this request.
