EXECUTIVE SUMMARY:

To address workspace requirements for the Community Development Department, we are going to replace most of the existing offices and cubicles with new cubicles. We have been working with two vendors who have state contracts for this service: Campbell Keller and AAA Business Solutions. AAA Business Solutions provided the best price which includes the cubicles and installation. Attached is a proposed contract for this service. It is a combination of purchase and installation. The Building Division budget includes money in this amount for this project.
