Memorandum

Date: February 4, 2020
To: The Honorable Moke Simon, Chair, Lake County Board of Supervisors
From: Rob Brown, District 5 Supervisor
Subject: Discussion and Consideration of Building Permits required for installation of irrigation lines

Executive Summary: (include fiscal and staffing impact narrative):

This item is being submitted as an "extra" agenda item. The justification for this request to consider an item not on the posted agenda is as follows:

The need to take action came to my attention subsequent to the posting of the current agenda.

There is a need to take immediate action before the next available agenda.

After the posting of our February 4, 2020 agenda, in response to questions stemming from a constituent's concerns, Community Development staff advised me that building permits are required for installation of irrigation lines. I am requesting this discussion be taken up as an "extra" to ensure the constituent's project can move forward without delay.

I am requesting staff provide an overview of applicable code.

If not budgeted, fill in the blanks below only:

Estimated Cost: _____ Amount Budgeted: _____ Additional Requested: _____ Future Annual Cost: _____
