II. **CONFORMANCE**

1. The proposed amendment is consistent with the Lake County General Plan, Zoning Ordinance, Subdivision Ordinance, and the Middletown Area Plan.

Lake County General Plan

Goal LU-1: To encourage the overall economic and social growth of the County while maintaining its quality of life standards.

- *Policy LU 1.5 Mixed Use Development: The County shall actively support the development of mixed use projects as a means to reduce travel distances and create neighborhood environments that offer a range of residential options.*

Goal LU-3: To provide adequate land in a range of residential densities to accommodate the housing needs of all income groups expected to reside in the County, and ensure a high quality of development.

- *Policy LU-3.1 Residential Developments: The County shall encourage major new residential development to locate in close proximity to existing infrastructure and opportunities for employment, services, and recreation.*

Lake County Zoning Ordinance

SEC.21-13.31 Adoption of plans:

(e) Upon approval of the general plan of development by the Board of Supervisors, a use permit for a specific plan of development in conformity with the general plan of development may be presented to the Planning Commission for approval; or a use permit for a specific plan of development may be presented concurrently with a general plan of development, provided that any approval by the Planning Commission be conditioned so that the use permit for the specific plan of development shall be of no force or effect until approval of the general plan of development by the Board of Supervisors, nor until the effective date of any applicable rezoning to "PDR". The use permit for the specific plan shall be noticed, presented, considered and approved in the manner prescribed in Article 51.

SEC.21-15.31 Adoption of plans:

(e) Upon approval of the general plan of development by the Board of Supervisors, a use permit for a specific plan of development in conformity with the general plan of development may be presented to the Planning Commission for approval; or a use permit for a specific plan of development may be presented concurrently with a general plan of development, provided that any approval by the Planning Commission be conditioned so that the use permit for the specific plan of development shall be of no force or effect until approval of the general plan of development by the Board of Supervisors, nor until the effective date of any applicable rezoning to "PDC". The use permit for a specific plan shall be noticed, presented, considered and approved in the manner prescribed in Article 51.

Subdivision Ordinance

SEC.17-22.9 (b): Upon application of the sub-divider filed prior to the expiration of the approved or conditionally approved tentative map, the time at which such map expires may be extended by the Planning Commission for a period or periods not exceeding a total of three years.

Middletown Area Plan

Objective 5.1.5 Encourage comprehensive economic development efforts for the long-term benefit of the Planning Area aimed at increasing local employment opportunities.

- *Policy 5.1.5c: Increase local employment opportunities in order to provide an adequate number of jobs to support the local population.*

Objective 5.2.1 Plan for affordable and logical residential growth that implements the policies of the General Plan and balances housing with jobs and growth needs while maintaining a small town, rural atmosphere.

- *Policy 5.2.1a: Large new development projects should contain components of affordable housing and development of independent senior housing and assisted living facilities should be encouraged.*
- *Policy 5.2.1b: Medium and high density residential developments that are compatible with the neighborhood character shall be encouraged in locations close to services with adequate sewer and water facilities, within community boundary areas.*

This project is consistent with Lake County General Plan, Zoning Ordinance, Subdivision Ordinance, and the Middletown Area Plan. The Valley Oaks project would be developed in phases as described in the approved Vesting Tentative Subdivision Map (SD 06-01). Development of "village commercial" parcels that encompass approximately 43.18 acres of the project site, including 105,000 to 120,000 square feet of retail space that includes a grocery store, drug and general merchandise store, and other retail uses; and 85,000 to 110,000 square feet of commercial uses that include a movie theater, motel, and general office uses. The Vesting Tentative Subdivision Map also includes approximately 150 acres to create 380 residential lots inclusive of single family and medium density residential, recreational open spaces, and residential care facility. Permitted uses would be approved in the "PDR" Planned Development Residential and "PDC" Planned Development Commercial districts upon issuance of a Use Permit for a Specific Plan of Development pursuant to Article 13 and 15 of the Lake County Zoning Ordinance.

- On February 18, 2020, a Use Permit (UP 19-09) for Specific Plan of Development was approved by the Planning Commission for the first phase of the commercial development.

III. ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) guidelines Section 15162, requires agencies to evaluate the environmental implications of their actions. The Community Development has reviewed Final Environmental Impact Report prepared by PMC and completed an Environmental Analysis (Initial Study, IS 06-01) for the approved Vesting Tentative Map Subdivision (SD 06-01). Mitigation measures dated October 2014 should continue to be incorporated into the Subdivision Map Extension (SDX 19-02) and complied with in the construction of the Valley Oaks project.

Recommended Action:

The Planning Commission recommends that the Board of Supervisors take the following actions:

A. That the previously approved mitigated negative declaration meets the requirements of Section 15162(a) of the State CEQA Guidelines, and that no additional environmental review need be prepared, with the following findings:

1. There has been no change in the project that would create new significant environmental impacts.

2. There has been no substantial change in circumstances resulting in new significant environmental impacts.
3. No new information of substantial importance to the project has become available.

B. Approve a two-year extension of time for SD 06-01 based on Staff Memo with the following findings:

1. The tentative subdivision map is consistent with the Lake County General Plan, Middletown Area Plan, and Zoning Ordinance.
2. The time extension request is consistent with the Lake County Subdivision Ordinance and the State Subdivision Map Act.
3. This project remains compatible with neighboring land uses.
4. There has been no substantial change in circumstances resulting in new significant environmental impacts.
5. There has been no substantial change in the physical suitability for the type of development and proposed density.
