Memorandum

Date: August 4, 2020
To: The Honorable Moke Simon, Chair, Lake County Board of Supervisors
From: Lars Ewing, Public Services Director
Subject: Approve Budget Transfer from 18.00, Maintenance and Improvements to 63.12, Park Improvements from FY 19-20 for new LED lighting at the Lucerne Harbor Park.

Executive Summary: (include fiscal and staffing impact narrative):

Public Services budgeted for new lighting at the Lucerne Harbor Park in FY 19-20 budget in object code 18.00 maintenance and improvements. Upon further discussion it has been determined that the lighting project should be capitalized, meaning the funds should have been allocated in 63.12, park improvements due to the cost and improvement it will create to the park.

The County parks are a frequent target for vandalism, transient overnight parking and camping, and illegal dumping. A targeted program to combat this problem is merited.
