Memorandum

Date: February 23, 2021
To: The Honorable Bruno Sabatier, Chairman, Lake County Board of Supervisors
From: Brian L. Martin, Sheriff/Coroner/OES Director
Subject: Consideration of the Everbridge Mass Notification User Agreement in the amount of \$18,207.95 from March 20, 2021 to March 19, 2022 and authorize the Chair to sign

Executive Summary:

Everbridge is a mass notification system that has the ability to connect with the public via landline telephone, cell phone, computer and tablet. This system is compatible with the Integrated Public Alert Warning Systems (IPAWS).

Everbridge offers a unified, web-based platform to send messages over a multitude of channels, including wireless emergency alerts, email, alerts to tablets, mobile phones, and computers, IPAWS, and mass telephonic notification. Administrators are able to initiate notifications from anywhere they have an internet connection. The system is able to be configured to send specific messages to:

- Employee groups
- Pre-designated geographical regions
 - School Districts

- Supervisorial Districts
- Flood Plains
- Designated Communities

Notifications can be sent using map based drawing and selection tools, as well as shape files imported from the ESRI Arc GIS system. Notifications can be published directly to Facebook and Twitter accounts, and other websites that support access.

The system can generate acknowledgment receipts to ensure recipients understand situations and advisories. Such acknowledgments can also aid in litigation response. The Sheriff's Office recommends that your Board approve the renewal agreement for use of this system. It is a service that is of benefit to all of our communities and many of our departments.

Presentation by Sheriff's Office staff on changes to practices and implementation of mass notification resulting from contract price changes.
