Memorandum

Date: March 23, 2021
To: The Honorable Bruno Sabatier, Chair, Lake County Board of Supervisors
From: Scott De Leon, Public Works Director
Subject: Public Hearing and Consideration of Resolution Vacating a Roadway known as Arabian Lane (CR#148D) in Hidden Valley Lake Area

Executive Summary: (include fiscal and staffing impact narrative):

A Resolution of Intent to vacate a roadway known as Arabian Lane was adopted by the Board of Supervisors on February 23, 2021, establishing today's hearing. All required notices were posted and mailed.

Mr. Ken Porter, owner of Valley Oaks Land and Development, Inc., in the Hidden Valley Lake area, requested that the Board of Supervisors (Board) sell a portion of public land known as "Arabian Lane (C.R.#148D)", which provides access to and from State Highway 29 to only his property. Your Board considered his request in May of 2019 and approved Resolution 19-76 which declared the property surplus and your intention to convey the parcel to him. Staff has recently discovered that due to the State relinquishing the property to the County for the purposes of a highway, that we must also vacate the roadway prior to completing the sales agreement. . The roadway to be vacated is approximately 400 feet in length and extends from the intersection with State Highway 29 to its terminus at a cul-de-sac. The roadway is shown on the attached map as Exhibit A.

Arabian Lane was relinquished to the County for use as a county highway by the State Division of

Highways in January of 1969. Arabian Lane is shown on the county-maintained road list. The proposed vacation will not 'landlock' any parcel since any private access easements will remain in place as will any public or private utility easements.

On November 5, 2020, the Planning Commission heard the request for the vacation and found it to be in conformance with the Lake County General Plan. During this public hearing there was no public opposition to the proposed vacation.

Attached is a map showing Arabian Lane, to be vacated in its entirety, marked as "Exhibit A", describing the vacated roadway.

If the Board finds, from all evidence presented by interested persons, that Arabian Lane (C.R.148D), in its entirety, being described in Exhibit "A" is unnecessary for present or prospective public use then the Board may adopt the Resolution of Vacation.
