**Executive Summary:** The Lake County Sheriff's Office requests Your Boards' approval on the attached contract with Helico Sonoma helicopter services for Fiscal Year 2021/22 Helicopter services are utilized by the Sheriff's Department for marijuana reconnaissance and eradication on public and private lands. These services are essential to the effectiveness of the marijuana enforcement program. In past years, the California National Guard has provided these services without cost, but they are now largely unavailable due to reduced resources and other commitments. Due to fire suppression activity, it is unknown which vendors will be available during the various times of the year. We request your Board waive the competitive bidding process of the County's purchasing ordinance, under section b (exemptions from competitive bidding) as it is not in the public interest due to the unique nature of goods or services.
