Memorandum

Date: September 28, 2021

To: The Honorable Lake County Board of Supervisors

From: Todd Metcalf, M.P.A., Director Lake County Behavioral Health Services

Subject: Approve AMENDMENT No. 1 to the agreement between the County of Lake and Women's Recovery Services for Fiscal Year 2021-22 in the amount of \$105,850.00 and authorize the Board Chair to sign the Agreement.

Executive Summary:

Attached, for your approval, is AMENDMENT No. 1 to the Agreement between the County of Lake and Women's Recovery Services. The original agreement was in the amount of \$20,000.00 and was approved by our Department Head on 05/13/2021. Located in Sonoma County, Women's Recovery Services has been providing substance use treatment for women since 1975. In addition, WRS provides support and perinatal residential treatment services to women with children or of childbearing age. Attached to this item is the original agreement, for reference.

This contract amendment increases the contract by \$85,850.00 for a new contract maximum of \$105,850.00. In FY 2020-21, LCBHS was contracted with Women's Recovery Services and Redwood Community Service's Tule House, where Tule House is located in Lake County and is the only perinatal residential treatment services provider in the County. Lake County Behavioral Health Services is not presently contracted with Tule House for FY 21-22, yet the need to provide perinatal residential treatment services is still present. Hence, we are expanding our contract with Women's

Recovery Services to meet this service demand.
