### Memorandum

**Date:** October 5, 2021

**To:** The Honorable Lake County Board of Supervisors

**From:** Carol J. Huchingson, County Administrative Officer  
For Mary Darby, Community Development Director

**Subject:** Agreement No. 2 for Planning Services for Lake County Community Development (CDD)

#### Executive Summary:

On August 9, 2021, staff entered into an agreement with LACO, with compensation capped at \$25,000, to assist with review and processing of applications and moving projects to decision. LACO has also provided onsite training and technical expertise to County planners for cannabis and non-cannabis projects.

LACO has been instrumental in reducing the number of cannabis applications that were unassigned to a planner. Our contract planner, Max Hilken, has assumed the review of 31 different cannabis applications from 3 different planners. Of those 31 applications, 6 are in the final review in preparation to appear before the Planning Commission. Mr. Hilken and associates have also provided immediate feedback and technical advice to the planners on a continuous basis, provided technical support for the Zoning Administrator hearings and continue to provide technical review and agency support for the Bar-X application. LACO planners are familiar with our cannabis ordinance and our processes and are available to immediately continue the work that they began in August.

The compensation cap of the initial agreement has been reached and given the ongoing need for

contractor support to address the backlog of cannabis project applications in CDD, staff issued a Request for Proposals on August 20, 2021. Staff received 4 proposals and at this time, we recommend a second contract with LACO, for \$75,000, with a term ending 12/31/2021 given their competitive rates and their experience with our CDD.
