Subject: Adopt Proclamation Declaring September 27, 2024 as Native American Day in Lake County

Executive Summary:

As you are aware, the first residents of Lake County, greater than 12,000 years ago, were Native Americans. Every facet of our community’s history has been informed by the contributions of Native Americans.

Friday, September 27, is Native American Day in the State of California. Particularly given the important role Tribal leadership has played in Lake County’s past, present, and future, I ask that we act to declare September 27, 2024, Native American Day in Lake County.
