EXECUTIVE SUMMARY:

The Lake County Department of Social Services (LCDSS) began contracting with the LFRC for the provision of DR services on October 1, 2007 with your Board's approval. Since then, LFRC has continually provided services to Lake County families at risk for child abuse or neglect. LCDSS requests that your Board waive the competitive procurement requirement because there is no public benefit to do so. DR services have been provided by both LFRC and the Lake County Office of Education (LCOE) since the beginning of the program, with no increase to cost. Both LCOE and LFRC have developed services in collaboration with one another as well as our department.
