On **January 11, 2018**, a Notice of Nuisance and Order to Abate was prepared and then posted on the property located at: **15720 North Road, Lower Lake CA**, within the Lower Lake Area Plan, and a copy mailed, certified to the property owner of record due to a substandard burnt mobile, open and outdoor storage of junk, trash and debris, and abandoned vehicles. Several complaints had been filed by area residents. The Abatement Notice

On **March 21, 2018** staff obtained a response from a local contractor for the abatement of the property. After contract negotiations and working out the details for the debris sampling and hazardous material disposal, the local contractor was awarded the contract for demolition and removal of the remnants of the burnt mobile home and clean-up of the property on **April 12, 2018**. On the same date, an abatement warrant was obtained from a Judge at the Lake County Superior Court with the awarded contractor starting the abatement soon after.

A local towing contractor was contacted and they removed the two (2) abandoned vehicles from the subject property.

On the morning of **April 16, 2018**, the awarded contractor contacted Code Enforcement officer Michael Penhall and notified him that the abatement would be completed later that afternoon.

On **April 17, 2018** a follow up site visit was conducted by the Code Enforcement Officer confirming the contractor had completed the work.
