**FROM:** Steven Hajik, Agricultural Commissioner

**DATE:** February 12, 2019

**SUBJECT:** Adopt Resolution Approving Agreement No. 18-0228 Between the County of Lake and the State of California, Department of Food and Agriculture for Reimbursement of Commercial Cannabis Cultivation Compliance Inspections and Authorize Execution Thereof.

#### EXECUTIVE SUMMARY:

I would like to ask your Board to adopt the attached resolution approving an agreement with the California Department of Food and Agriculture (CDFA) for commercial cannabis cultivation compliance inspections for February 2019 through June 30, 2020.

This inspection program reimburses the County Agricultural Commissioner \$400 per inspection to ensure that licensed commercial cannabis growers are complying with state license requirements. The contract maximum is \$7,000 so the number of inspections is limited to seventeen. These inspections will be done in association with routine pesticide inspections. The county only notes non-compliances for the CDFA to act on. We can schedule the inspections at our discretion.
