### MEMORANDUM

**TO:** Board of Supervisors

**FROM:** Lars Ewing, Public Services Director

**DATE:** March 26, 2019

**SUBJECT:** Consideration of Agreement between the County of Lake and Foothill Associates for Proposition 68 Statewide Park Development and Community Revitalization Program Support Services

#### EXECUTIVE SUMMARY:

The California Department of Parks and Recreation recently released the final grant application guide for the Proposition 68 Statewide Park Development and Community Revitalization Program. The intent of the program is to create new parks, or develop new recreation opportunities in existing parks, located in critically underserved communities. A critically underserved community is defined as an area within a half mile radius of a site that either has less than three acres of park space per 1,000 residents or a median household income below \$51,026. Statewide \$255 million will be distributed in the 2019 grant round, with an additional \$395 million to be made available statewide in future rounds.

In order to create the most competitive grant applications the County intends to conduct a public outreach campaign and then develop master plans and cost estimates for the projects identified through the public outreach. To that end staff negotiated an agreement with Foothill Associates, who previously performed satisfactory Prop 68 consulting work for the County.

**FISCAL IMPACT:** ☐ None ☒ Budgeted ☐ Non-Budgeted

Estimated Cost: \$20,725

Amount Budgeted: \$20,725

Additional Requested:

Annual Cost (if planned for future years):
