I. EXECUTIVE SUMMARY

The applicant proposes the installation of a natural style 18-hole golf course and the operation of a private airport at the existing landing strip, formerly used as the Crazy Creek Glider Port. The golf course would be mostly membership based, with limited public access. The private airport would be used by golfing guests and friends. (Please note: The future golf lodging, noted on the site plan, is not included in this project. When lodging occurs in the near future, the applicant shall obtain all necessary Federal, State and local agencies permits)

Recommended Action:

MITIGATED NEGATIVE DECLARATION

I move that the Planning Commission find on the basis of the **Initial Study No. 18-70** prepared by the Planning Division and the mitigation measures which have been added to the project, that the **Major Use Permit, UP 18-47** as applied for by **Brambles Development, LLC.**, will not have a significant effect on the environment and therefore a mitigated negative declaration shall be issued with the findings listed in the **Staff Report dated February 24, 2020.**

MAJOR USE PERMIT

I move that the Planning Commission find that the **Major Use Permit, UP 18-47** applied by **Brambles Development, LLC.**, on property located at **19970 S. State Highway 29, Middletown, CA 95461, APN: 014-280-18** does meet the requirements of Section 51.4 of the Lake County Zoning Ordinance and grant the Major Use Permit subject to the conditions and with the findings listed in the **Staff Report dated February 24, 2020.**

***NOTE:** The applicant or any interested person is reminded that the Zoning Ordinance provides for a seven (7) calendar day appeal period. If there is a disagreement with the Planning Commission, an appeal to the Board of Supervisors may be filed. The appropriate forms and applicable fee must be submitted prior to 5:00 p.m. on or before the seventh calendar day following the Commission's final determination*
