**I. EXECUTIVE SUMMARY**

The applicant is requesting approval of an extension to a 1993 Use Permit for a billboard. Previous extensions have been granted through files no. UP 06-03; UP 11-03; UP 16-06.

**II. RECOMMENDATION**

Staff recommends that the Planning Commission approve the project with the following findings:

**A. Adopt Categorical Exemption, Class 1 (CE 22-28) for Use Permit Extension, UPX 22-01 with the following findings:**

1. This time extension is for an existing use permit to allow continued use of an existing billboard for a period of five years beginning on May 26, 2022.

2. This project is consistent with CEQA Categorical Exemption, Class 1, which consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination
3. This project remains consistent with the Lake County General Plan, Lakeport Area Plan and the Lake County Zoning Ordinance.
4. There has been no changes to any applicable regulations which would create new significant environmental impacts.
5. This project is consistent with land uses in the vicinity.
6. This project will not result in any significant adverse environmental impacts.

**B. Approve Use Permit Extension of Time (UPX 22-01) for Use Permit, UP 93-31 with the following findings.**

1. That there have been no changes to the requirements to establish a billboard in the C3 zoning district between the time of billboard approval and the date of this extension.
2. That there have been no changes to the billboard structure between the original approval date and the date of this extension.
3. That the billboard has been adequately maintained since its construction.
4. That no violation of Chapters 5, 17, 21, 23 or 26 of the Lake County Code currently exists on the property, unless the purpose of the permit is to correct the violation, or the permit relates to a portion of the property which is sufficiently separate and apart from the portion of the property in violation so as not to be affected by the violation from a public health, safety or general welfare basis.

**III. SAMPLE MOTIONS**

Main Street, Lakeport, further described as APN: 005-053-20** does meet the requirements of the Lake County Zoning Ordinance and that the Planning Commission has reviewed and considered the Categorical Exemption, CE 22-28 which was adopted for this project and the Use Permit Extension, file number UPX 21-02, be granted and shall extend this use for a period of five years subject to the conditions and with the findings listed in the Staff Report dated **May 26, 2022**.
