How long has Agreement been in place? N/A This is a new agreement between the two cities and consultant

When was purchase last rebid? N/A this is a new agreement for a new contract agreement

Reason for request to waive bid? As this project is funded by a cost-share agreement between County and two cities, the RFP and bid

process would not result in an economic benefit to any party and it's not determined who would bear the financial and staff burden of conducting that RFP and bid exercise.
